MEMORANDUM FOR: Air Force/IHC Member

FROM: [REDACTED]

Chairman, Intelligence Information
Handling Committee

SUBJECT: Serial Codes Working Group Charter

At its May meeting, the IHC discussed the formation of a working group to determine the means of implementing standard IC serial codes for recurring titles of serially produced IC publications. The attached is a draft charter for such a working group. It will be used to initiate discussion on the feasibility and practicality of implementing such codes within the IC. Request that your organization designate Dr. James Canfield (FTD) who is knowledgeable on this subject to serve on this working group and be its chairman. Since its first meeting is expected to be held in the last week of September 1984, request your response to [REDACTED] NLT 14 September. Should you require further information on this matter, please call [REDACTED] or myself at [REDACTED]
